

# Charlton Manor Primary School

## REMOTE LEARNING – GOOGLE CLASSROOMS

Charlton Manor Primary School have joined google classrooms to provide access to remote learning in the event of a bubble needing to close or another countrywide lockdown. All teachers are logged in and classes set up.

Teachers will be running live online lessons via google meet.

Pupils will be required to log in and attend each of the lessons listed in the time table and complete any assignments/tasks set by the teacher or alternative staff member. The daily activities will also be put on the google stream for you to download.

Teachers will call a class list/register at 9:15am and at the start of the afternoon lesson and will send this to the office to keep a track on attendance. Please be aware that, as much as possible, the teachers will stick to these timings but there may be some flexibility with the timings of each day. The teacher will inform you of these. After your child has participated in the google meet live lesson, they may log off to complete their work and then log back in at the next time stated or stay on to as the teacher questions if they wish.

Key worker and vulnerable children will be following the same timetable and lessons as their peers but they will be in school in their year group bubbles.

### **Key Worker and Vulnerable**

<b><u>Time</u></b>	<b><u>Agenda</u></b>
9:00am	Arrive at school and go to class bubble
9:15am	Register
9:30am	Maths
