

Art

Design Technology

Design a purposeful, functional and appealing products for himself/herself and other users based on a design criteria. Generate develop, model and communicate his/her ideas through talking drawing templates mock ups and where appropriate I.T. Choose appropriate tools equipment techniques and materials from a wide range.

English

Core text: Cloudy with a Chance of Meatballs by Judi Barrett

Writing objectives:

Write about real events, recording these simply and clearly.

Write for different purposes to develop positive attitudes and stamina for writing.

Consider what he/she is going to write before beginning by writing down ideas and/or key words, including new vocabulary.

Make simple additions, revisions and corrections to his/her own writing by evaluating their writing with the teacher and other pupils.

Spelling objectives:

Spell many common exception words.

Add suffixes to spell some longer words correctly including –ment, -ness, -ful, -less, -ly.

Vocabulary, grammar and punctuation:

Use commas to separate items in a list.

Use question marks and exclamation marks appropriately.

Understand the following terminology: suffix, comma, question, exclamation and command.

History

Can research about a famous event that happens in Britain and why it's been happening for some time. Research the life of someone who used to live in the local area using the internet and other sources to find out about them. Suggestion- Admiral Robert FitzRoy (first weather forecaster).

Year 2

Term 2

Cloudy with a chance of meatballs

RE/ PSHE A Local Church

What happens in a Christian place of worship?

How does a place of worship help Christians remember their beliefs about Jesus?

How do Christians try to follow Jesus' example?

Know that Sunday is a holy day and why

What does the church do for different celebrations?

Church Buildings:

Different types of Christian buildings as places that where Christians worship together, read the Bible, sing and pray

What the church leaders role are eg. Priests, ministers, elders etc.

What are some key objects and symbols found in various types of Christian churches

Important ceremonies that take place in a church:

Baptism, weddings, funerals, harvest.

ICT

To know what an algorithm is.

Use algorithms to control devices or objects on screen.

Write a programme using instructions and know that this is coding.

Solve problems with instructions on and off screen.

Predict the behaviour of simple programmes of code.

Geography

Science

Investigations

Ask simple questions and recognise that they can be answered in different ways.

Use simple equipment to observe.

Perform simple tests.

Identify and classify.

Use his/her observations and ideas to suggest answers to questions.

Gather and record data to help in answering questions.

Maths

White Rose- Measurement – Money

Recognise and use symbols for pounds (£) and pence (p); combine amounts to make a particular value. Find different combinations of coins that equal the same amounts of money.

Solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change.

White Rose- Number – Multiplication and Division

Recall and use multiplication and division facts for the 2, 5 and 10 times tables, including recognising odd and even numbers.

Calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication (x), division (÷) and equals (=) sign.

Solve problems involving, multiplication and division, using materials, arrays, repeated addition, mental methods and multiplication and division facts, including problems in contexts.

Show that the multiplication of two numbers can be done in any order (commutative) and division of one number by another cannot.
