

# Nepal Nepal Mary child Orphanage in Kathmandu

Charlton Manor supports the Nepal Mary child Orphanage in Kathmandu, Nepal. Staff visited Nepal to take resources for the children and to present them with a cheque for £1000 that our children raised through cake sales and other activities. At least once a year we raise money for these children who need so many things that we take for granted. The orphaned children are always happy and uncomplaining and it is a joy to be able to help them. We have many Nepalese children at our school and our Nepalese parents have been very generous supporters of the orphanage- Thank you.
